All data comes from the Ohio Department of Taxation, the Ohio Department of Education, the U.S. Census Bureau, and Xenia Community Schools. For detailed charts, please visit <a href="www.opportunityohio.org/book-2">www.opportunityohio.org/book-2</a>. To determine your tax hike amount, divide your home's assessed value by \$100,000 and then multiple that answer by \$199. To determine your tax hike percentage increase, locate the amount of your property taxes that go to the school district on your property tax bill. Divide your total tax hike amount by the amount currently paid to the school district.
